PROJECTS UNDER PMRY & REGP IN MAHARASHTRA
Patil Shri Prakash V.

Will the Minister of AGRO AND RURAL INDUSTRIES be pleased to state:

(a): the location-wise details of on-going projects under the Prime Minister Rozgar Yojana and the Rural Employment Generation Programme in Maharashtra in each of the last three years;

(b): the details of the fund allocated for such projects;

(c): the steps taken by the Government for early completion of such projects; and

(d): the number of people benefited and employment generated from such projects in the State?

Answer

MINISTER OF SMALL SCALE INDUSTRIES & AGRO AND RURAL INDUSTRIES (SHRI MAHABIR PRASAD)

(a):The district-wise details of units/projects set up under the Prime Minister`s Rozgar Yojana (PMRY) and the Rural Employment Generation Programme (REGP) in Maharashtra during 2001-02, 2002-03 and 2003-04 are given in the enclosed Annexures - I and II respectively.

(b):Under the PMRY, the implementing banks disburse loans for setting up self-employment projects and the Central Government allocates funds for subsidy, entrepreneurial development training, contingencies, etc., based on the targets for generation of employment opportunities, allocated to the individual States/Union Territories (UTs). The Central funds for subsidy are routed through the Reserve Bank of India (RBI), which, in turn, passes them on to the implementing banks for crediting the amounts to the loan accounts of individual beneficiaries. It has not been possible so far to get from the RBI the amounts of subsidies actually utilised in individual States/UTs. Under the REGP, the implementing banks disburse loans and the Central Government allocates funds for margin money assistance for setting up projects. The year-wise details of funds disbursed as loan by banks and Central funds released for entrepreneurial development training, contingencies, etc., under the PMRY and for margin money under the REGP in Maharashtra during 2001-02, 2002-03 and 2003-04 are at enclosed Annexure - III.

(c):Various steps are taken for time-bound completion of projects under the PMRY, e.g., prescribing quarterly schedules for completion of activities (sponsoring and sanctioning of applications and disbursement of loans), time limit for disposing of applications by the implementing agencies, prescribing cut-off date for completion of disbursement of sanctioned loans, review meetings with the implementing agencies to resolve bottlenecks, if any, etc. Similarly, under the REGP, the Khadi and Village Industries Commission (KVIC) reviews progress of implementation of projects with banks, takes necessary steps to avoid delay and releases financial assistance for arranging various backward and forward linkages such as entrepreneurship development programmes, awareness camps, market development, etc.

(d):It is estimated that about 78,591 persons (as per the RBI reports) under the PMRY and 75,118 persons under the REGP have benefited due to creation of additional employment opportunities in Maharashtra during 2001-02, 2002-03 and 2003-04.
